The Easter Seal Rehabilitation Center of Greater Waterbury Inc. is a well-established non-profit agency providing vocational rehabilitation programs, employment and medical rehabilitation services to people in Western Connecticut since 1958. Easter Seal specializes in providing programs and services to a diverse range of individuals with disabilities, as well as non-disabled populations. Easter Seals continues to be a member in good standing, and fully accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). Easter Seals works with the Bureau of Rehabilitation Services, Department of Mental Health and Addiction Services, Department of Workers Rehabilitation, Department of Developmental Services, school systems, and the Acquited Brain Injury Waiver program. Our organization continues to be committed to expanding training and employment options to persons we serve, and in addressing other unmet rehabilitation needs of people in our community. Our ability to provide for the individualized and unique needs of the populations referred to us for services, we believe, brings value added quality to the services we provide. Our organization is committed to participating in initiatives that expand opportunities for persons in need of services, and we remain strongly committed to that purpose.
